**BULLETIN:**

**Commission reminds qualified patients of possession, usage parameters**

**Linthicum, MD** (November 17, 2017) – The Natalie M. LaPrade Maryland Medical Cannabis Commission is issuing a bulletin to remind qualified patients of the parameters that can govern their possession and usage of medical cannabis. By signing the form, patients or their caregivers attest to understanding these parameters.

The form states that “... prior to medical cannabis being dispensed, either in person or by delivery, a registered patient or caregiver shall attest that he or she understands that he or she is not immune from the imposition of any civil, criminal or other penalties for certain conduct related to medical cannabis.”

The bulletin can be viewed on the Commission website at <http://mmcc.maryland.gov/Pages/helpful-forms.aspx>.

###

*The Natalie M. LaPrade Maryland Medical Cannabis Commission develops policies, procedures, and regulations to implement programs that ensure medical cannabis is available to qualifying patients in a safe and effective manner. The Commission oversees all licensing, registration, inspection, and testing measures pertaining to Maryland’s medical cannabis program and provides relevant program information to patients, physicians, growers, dispensers, processors, testing laboratories and caregivers.*
