ANCILLARY BUSINESSES AND SECURITY GUARD AGENCIES PROPOSAL

Summary

This proposal codifies the Maryland Medical Cannabis Commission’s (the “Commission”) existing practices concerning ancillary business and security guard agency registration. The proposal will enable staff to review and approve third-party registrations. The proposal:

- Establishes a regulatory framework for the registration of ancillary businesses (meaning 3rd party businesses registered with the Commission to transport, deliver, or dispose of medical cannabis or medical cannabis waste) and security guard agencies;
- Specifies requirements for ancillary business and security guard agents as well as for the shipping/receipt and delivery of medical cannabis;
- Establishes ancillary business and security guard agency fees; and
- Makes certain conforming changes.
