Statement of Purpose

The purpose of this action is to:

- (1) Amend the definition of qualifying medical cannabis provider to include physician assistants, and increase the number of caregivers qualifying medical cannabis patients who are under 18 years old;
- (2) Codify the Maryland Medical Cannabis Commission's (the Commission) current ancillary business and security guard agency registration requirements into law, which will clarify the registration process and reduce the overall administrative burden of approving and denying these registrations; and
- (3) Make numerous licensee-related changes concerning renovations/modifications to licensed grower, processor, and dispensary premises, "deli-style sales," drive-through dispensing, and reporting requirements to streamline Commission administrative processes, reduce the regulatory burden on medical cannabis licensees, and improve product access and safety for patients and caregivers.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

The proposed action has no economic impact.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.

.09 Deli-Style Sales of Medical Cannabis.

A. *As used in this chapter, “deli-style sales” means a purchase of medical cannabis by a qualified patient or caregiver on the premises of a licensed dispensary during which a dispensary agent weighs and packages the medical cannabis flower in the dispensing service area while in the presence of the patient or caregiver.*

B. *Standard Operating Procedures.*

(1) *Each licensed dispensary shall develop written standard operating procedures approved by the Commission that address all aspects of deli-style sales including:*

(a) *The weighing, labelling, and repackaging of the medical cannabis; and*

(b) *Appropriate location, security, and records.*

(2) *Each licensed dispensary shall comply with the licensed dispensary’s standard operating procedures for deli-style sales of medical cannabis throughout the selection, repackaging, and dispensing of the individual deli-style sales transactions.*

C. *The scales and equipment shall conform to standards established by the Maryland Department of Agriculture’s “Guidelines for Purchasing a Scale to be Used in Direct Sale Applications”, which is available on the Commission’s website.*

D. *Equipment shall be sanitized and maintained in accordance with COMAR 10.62.28.05.*

E. *Final product packaging shall meet all the packaging and labeling requirements in COMAR 10.62.24 and 10.62.29.*

F. *Pre-Operation Inspection.*

(1) *Before initiating deli-style sales, a licensed dispensary shall undergo a pre-operation inspection.*

(2) *The Commission shall conduct a pre-operation inspection to:*

(a) *Ensure that all aspects of deli-style sales conform to the written standard operating procedures and standards established by the Maryland Department of Agriculture;*

(b) *Perform a review of the intended work space and equipment for deli-style sales; and*

(c) *Observe a complete deli-style sales transaction.*

(3) *The Commission shall provide written approval to offer deli-style sales to a licensed dispensary that meets the requirements of this regulation.*
